3. This Court also has jurisdiction of this matter pursuant to Section 301 of the Taft-Hartley Act, 29 U.S.C. § 185, as this is an action for a violation of a collective bargaining agreement between an employer and a labor organization.

### **PARTIES**

4. The NEBF is a multiemployer employee pension benefit plan within the meaning of Section 3(2) of ERISA, 29 U.S.C. § 1002(2), that has been established pursuant to an agreement entered into between the International Brotherhood of Electrical Workers (“IBEW”) and the National Electrical Contractors Association (“NECA”). 5. NEAP is a multiemployer employee benefit plan within the meaning of Section 3(2) of ERISA, 29 U.S.C. § 1002(2), that has been established pursuant to an agreement entered into between the IBEW and NECA. an Ohio limited liability company whose main place of business is 1500 Farr Drive, Dayton, OH 45404.

### **STATEMENT OF CLAIM**

#### **Allegations Common to Claims by NEBF and NEAP**

8. Defendant is a signatory, and has been a signatory continuously during all relevant periods, to one or more collective bargaining agreements (the “Collective Bargaining Agreements”) with IBEW Local Unions 71 and 82 as the collective bargaining representative of its employees. Pursuant to the Collective Bargaining Agreements, Defendant is obligated to submit contributions to NEBF and NEAP on behalf of its employees covered by the Collective Bargaining Agreements for all relevant periods.

9. Section 515 of ERISA requires an employer to make contributions to a multiemployer plan in accordance with its obligations under a collectively bargained agreement and the plan documents. 29 U.S.C. § 1145.

10. Section 502(a)(3) of ERISA provides that a fiduciary may enforce the provisions of ERISA and the terms of the plan through a civil action. 29 U.S.C. § 1132(a)(3).

11. Section 502(g)(2) of ERISA provides that a fiduciary of a multiemployer plan, bringing suit to recover delinquencies under Section 515, shall recover in addition to the unpaid contributions, interest thereupon, liquidated damages, attorney's fees and costs, and other appropriate legal and equitable relief. 29 U.S.C. § 1132(g)(2).

#### **NEBF's Claims**

12. Defendant, pursuant to the Collective Bargaining Agreements, has been and is also bound to all terms and conditions of the Restated Employees Benefit Agreement and Trust for the

National Electrical Benefit Fund (the “NEBF Trust Agreement”), which has governed the administration of NEBF at all times relevant to this action.

13. Notwithstanding its obligations pursuant to the Collective Bargaining Agreements and the NEBF Trust Agreement, Defendant failed to make all of its required contributions to the NEBF on behalf of the employees covered by the Collective Bargaining Agreements.

14. According to NEBF records, including monthly payroll reports filed by Defendant, Defendant failed to pay the NEBF at least \$15,361.34 in contributions for work performed by Defendant’s covered employees for the periods September 2013 through July 2014.

15. Despite Defendant’s breaches of its obligations, the Trustees to the NEBF will be required to provide benefits to NEBF participants employed by Defendant, upon their retirement, based on their years of credited service, which would include that period during which Defendant failed to contribute. This could result in a reduction of the corpus of the trust, thereby endangering the rights and benefits of other participants and beneficiaries on whose behalf contributions have been properly made.

16. The NEBF Trust Agreement authorizes the Trustees to take all necessary actions to recover delinquent contributions. In addition, it authorizes the Trustees to recover interest on the delinquent contributions at a rate of ten percent (10%) per annum, liquidated damages in an amount equal to twenty percent (20%) of the delinquency, and all costs, including audit costs and attorneys’ fees, incurred in collecting the delinquency.

17. NEBF has incurred attorneys’ fees and costs in connection with its attempts to collect the delinquent contributions.

**NEAP's Claims**

18. Defendant, pursuant to the Collective Bargaining Agreements, has been and is also bound to all terms and conditions of the Agreement and Trust for the National Electrical Annuity Plan (the "NEAP Trust Agreement"), which have governed the administration of NEAP at all times relevant to this action.

19. Notwithstanding its obligations pursuant to the Collective Bargaining Agreements and the NEAP Trust Agreement, Defendant failed to make all of its required contributions to NEAP on behalf of the employees covered by the Collective Bargaining Agreements.

20. According to NEAP records, including monthly payroll reports filed by Defendant, Defendant failed to pay to NEAP \$56,882.48 in contributions for work performed by Defendant's covered employees for the periods September 2013 through July 2014.

21. Despite Defendant's breaches of its obligations, the Trustees to NEAP may be required to provide benefits to NEAP participants employed by Defendant, upon their retirement, based on the total amount of their individual accounts, which would include contributions which Defendant was required, but failed, to contribute.

22. The NEAP Trust Agreement authorizes the Trustees to take all actions to recover delinquent contributions. In addition, it authorizes the Trustees to recover interest on the delinquent contributions at a rate of ten percent (10%) per annum, liquidated damages in an amount equal to twenty percent (20%) of the delinquency, and all costs, including attorneys' fees and costs, and audit expenses, incurred in collecting the delinquency.

23. NEAP has incurred attorneys' fees and costs in connection with its attempts to collect the NEAP Delinquent Contributions.
